

Graphic Arts/Animation Services at Trivium

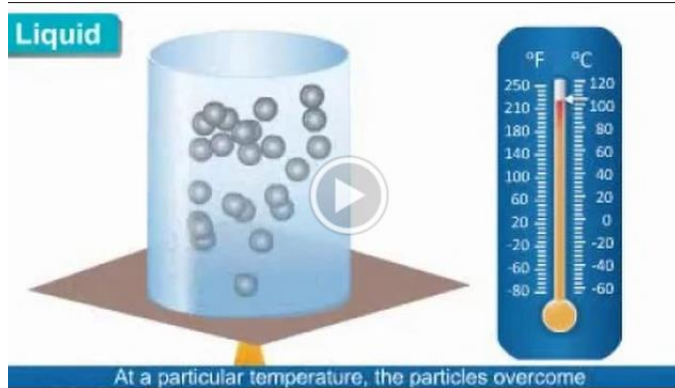

Client

- Leading provider of customized educational assessment services for state governments, other testing companies, and various organizations
 - Services include assessment development, Essay scoring, online testing & development, professional services etc.
 - As part of a state contract for NGSS, needed to develop a set of 3-D animations that would be supplementary to a cluster item set.
-

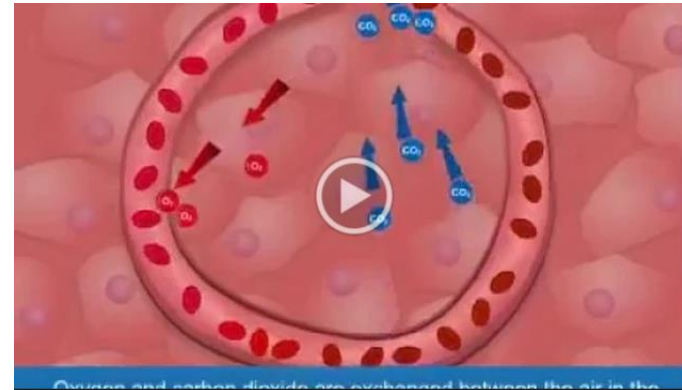

Trivium relationship

- Worked with the client on jointly developing storyboards for the animations.
- Interrelated item development and standard coverage into the storyboards
- Developed the first set of pilot animations for the state.
- Working with the client on a production roll-out of items supported with animations for standardized state test for 2019-2022
